Learning paths completed

N/A means either not all module assessments exist or there is no pass record. All Learning Paths in this table are complete.

Learning path title	Description	Completed on	All module assessment results
AI concepts for developers and technology professionals	Learn core AI concepts and terminology to help you better understand AI workloads and how to plan AI solutions.	Mar 17, 2026	All module assessments passed Mar 17, 2026

Modules completed

N/A in the module assessment result column means either the module assessment doesn't exist or there's no pass record for it. All modules in this table are complete.

Module title	Description	Completed on	Duration	Module assessment result
Introduction to AI-powered information extraction concepts	Introduction to AI-powered information extraction concepts	Mar 17, 2026	28 min	Module assessment passed Mar 17, 2026
Introduction to computer vision concepts	Introduction to computer vision concepts	Mar 16, 2026	34 min	Module assessment passed Mar 16, 2026
Introduction to AI speech concepts	Imagine AI apps and agents that you can talk to. Explore the concepts behind AI speech, including speech recognition and synthesis.	Mar 16, 2026	28 min	Module assessment passed Mar 16, 2026

Module title	Description	Completed on	Duration	Module assessment result
Introduction to natural language processing concepts	Natural language processing (NLP) supports applications that can see, hear, speak with, and understand users. In this module you learn about the concepts that make NLP possible.	Mar 16, 2026	30 min	Module assessment passed Mar 16, 2026
Fundamentals of generative AI	Learn what generative AI is, how large language models form the foundation of generative AI applications, and see examples of copilots and good prompts.	Mar 16, 2026	37 min	Module assessment passed Mar 16, 2026
Get started with AI on Azure	Get started with AI on Azure	Mar 16, 2026	40 min	Module assessment passed Mar 16, 2026
